

## A MUSICAL TRIBUTE

To celebrate the centenary of Gordon Phillips' birth four of his friends and former students decided to create a CD of his music.

Maurice Merrell

The music was performed by Jonathan Melling and David Cook at the organ of All Hallows by the Tower on 24th-26th July 2007.

Maurice Merrell played a large part not only in console management during the recording but in getting the project off the ground.

David Cook

Robert Cruden was tireless in researching and providing the excellent programme notes.

The CD includes the following works by Gordon Phillips:

**Toccata in C**

**Partita on a Plainsong Hymn Urbs Beata Jerusalem**

**Trumpet Tune (for John Turner)**

**Air and Gavotte (Tower Hill Suite)**

**Sonata in C minor**

**Six Carol Preludes**

**Three Pastoral Pieces**

**Lullaby**

**Three Miniatures**

**Suite in F minor**
